LAMPSWOOL POLLERS

About Us

Established in 2000, Express Paint Rollers is an Australian, family-owned business dedicated to supplying high-quality, innovative painting application and preparation accessories to retailers across Australia and New Zealand.

Our forward-thinking team is committed to delivering:

- The latest in product innovation
- Quality products at an affordable price
- Fast, reliable service
- Excellent communication

Our Express Superior Lambswool roller cover is an industryleading natural fibre roller, known for its even paint pickup and exceptional surface finish. Its speed of application and value for money make it a consistent favourite among professional painters.

We also offer a broad range of carefully selected painting accessories that provide quality and value to painters of all levels.

We firmly believe that quality equipment consistently achieves a quality result.

As we like to say, "If it says Express, you know it's the best!"

EXPRESS SUPA FRAMES

Our **SUPA Frame** was Designed & Manufactured right here in Australia, some 15 + years ago, by our very own Managing Director Graeme, who worked closely with industrial engineers to create a tough, light weight, responsive frame for the easiest days painting you will ever experience.

Our **SUPA Frame** is lightning fast with precision accuracy to provide high – quality paint finishes every time.

The lightweight injection moulded heavy duty plastic frame

reduces fatigue whilst providing balanced weight distribution. The **SUPA Frame** has no moving parts which means NO parts to lose or break.

Our **SUPA Frame** is available in 230mm, 270mm & 305mm. Graeme has had 35 + years' experience in both commercial and residential painting, so choose the frame designed by a painter for painters, choose The **SUPA Frame**!

Every frame counts

Black Dog Institute is a proudly independent not-for-profit globally renowned mental health research institute connected to UNSW Sydney. We are the only medical research institute in Australia that investigates mental health across the lifespan—from childhood to adulthood.

They believe in creating hope for those experiencing mental illness by improving mental health outcomes for all Australians.

Did you know?

1 in 5 Australians Will experience symptoms of mental illness in any given year - that's around 5 million people

Your support helps investigate mental health across the lifespan. At Black Dog Institute they focus is on 'translational' research: integrating their research studies, education programs, digital tools and apps, clinical services, and public resources to discover new solutions, foster connections and create real-world change.
